

Join our Community Town Hall

JULY 14TH | 6PM

Will the placement of 3,000 luxury condos, 1.5 million square feet of high-rise office space and a 35,000 seat Stadium at the Port of Oakland harm the existence and functioning of the 5th largest port in the U.S., the economic engine of Oakland, and impact thousands of good paying union jobs, including some of the best paid jobs in California held by Black workers?

Learn the facts about billionaire John Fischer's Howard Terminal Development and how the A's port stadium proposal will impact jobs, housing and the Oakland economy.
